

Keene Riverview Families and Community,

It is with great enthusiasm and excitement that I write this letter of introduction as the new Principal of Keene Riverview Elementary. I am truly honored to accept this new role and look forward to working with the KRV staff, students, families, and community.

I am a proud Mustang graduate from the class of 2005. After high school, I received my bachelors at Eastern Washington. Shortly after graduating from Eastern, I accepted a teaching position at Prosser Heights Elementary. For the past twelve years, I have been a 5<sup>th</sup> grade teacher and math intervention teacher at Heights. During my teaching career, I attended WSU Tri-Cities and Gonzaga to receive my Masters in Curriculum and Instruction and Principal Certificate.

The primary years (K-2) of education are a critical time for students and families because they are developing their foundational skills and truly “learning how to learn”. What happens during these years will have a lasting impression on their growth and development for the rest of their education career and beyond. I believe that ALL students can learn when given the opportunity. As the principal of Keene Riverview Elementary, I will work towards our shared mission and vision, build a positive school culture, and ensure that all students are given the best opportunity for learning.

On a personal level, I have been married to my husband for four years. Together we have two young girls: Halli (2 years old) and Reese (1 year old) and our bonus child a yellow lab named Hank. As a family, we love spending time outside, camping, traveling, and sports.

I am both prepared and excited for this new adventure as the principal of KRV. I look forward to continuing to serve the students and families of Prosser.

Sincerely,  
Jessie Wilson
